

# Register Now and Save at VMX, the World's Leading Veterinary Conference

Get ready for incredible, immersive learning at the world's most exciting veterinary conference event, VMX 2020, which will be held in Orlando, Florida, January 18-22, 2020. Don't miss this opportunity to learn from the brightest professionals in the field, explore all the veterinary CE topics you're interested in, share insights and camaraderie with veterinary professionals from around the world, and enjoy once-in-a-lifetime tours of some of Orlando's most captivating attractions.

## LEARN

With more than 1200 CE credit hours to choose from, you'll find relevant learning offered at your level, your way, whether you're a seasoned veterinary professional or still in training. Not to mention, you'll be hearing from and connecting with the most renowned professionals in the field.

## NETWORK

Share insights and camaraderie with nearly 17,000 veterinary professionals and guests from around the world, including veterinarians, veterinary nurses/technicians, practice managers, students, speakers, veterinary team members, and forward-thinking leaders in the profession.

## INNOVATE

Take your practice to the next level with new products, services and equipment featured in the VMX Expo Hall. With more than 700 exhibitors ready to solve your problems with the most creative possibilities, you'll move toward a smarter, more efficient practice.

## EXPLORE

VMX lets you explore all the veterinary CE topics you want while enjoying a winter break in paradise. Join us for incredible tours that are designed just for you and take you behind the scenes of the Orlando area's most captivating attractions.

## DISCOVER

Don't miss the VMX Discovery Zone inside the Expo Hall. The area will feature innovative services, including a Startup Circle that features the most revolutionary companies in the industry and the VMX Discovery Learning Theater, where sponsored sessions highlighting industry trends will be presented.

## WAIT—THERE'S MORE!

Shop for pet-related products at the Pet Retail MarketPlace. Participate in health-related CE sessions at the Health & Wellbeing Center. Bring the family; VMX offers children's daycare programs and proximity to family adventures around Orlando, including Walt Disney World® and Universal Orlando®. **TVP**

### Become an Exhibitor and Stand Out!

#### *How VMX can benefit you*

It's the one event that has it all! VMX provides unparalleled opportunities for your company to gain exposure to nearly 17,000 veterinary professionals. VMX is the best place to generate sales leads, build an industry presence, demonstrate new technologies and products, and meet customers and new clients. From sponsorship channel options to robust booth packages, we offer a number of ways to help you showcase your brand to your customers.
